FOCUS ON
MINISTRY

Adopt-A-Highway

The Adopt-A-Highway ministry takes place 4 times a year. The street we are responsible for is Fantasy Harbor Blvd. between Forestbrook Road and George Bishop Parkway. In addition we will pick-up litter on the entrance and exit ramps to Hwy 501. The ministry was initiated to highlight the churches involvement and dedication to its community by helping to keep the streets clean.

THE BISHOP IS COMING!

Bishop Mark Lawrence will be with us at The Well on Sunday, December 16th for our morning service. If you are a Baptized, Confirmed Christian and wish to become a member of The Well, this is the time to be "Received" into membership. If you have been Baptized, but not Confirmed, this is the time to decide if you would like to be Confirmed by Bishop Lawrence and enter into membership at The Well. A Membership class will be scheduled for those wishing to become members. When Fr. Tom returns, you may let him know what your desire is.

A SPECIAL PRAYER REQUEST FROM THE BISHOP

November 16 - Legal hearing will be held concerning our Diocese at this time. Bishop Lawrence has requested churches to set aside time to pray on this day for the outcome of this hearing. Please mark your calendar to pray. Thank you!

THANKSGIVING DAY DINNER COMMUNITY OUTREACH

Did you realize that there are only (4) Thursdays until our Thanksgiving Day Dinner Community Outreach? Last year was a great and blessed time feeding those who came for good home-cooked food. We were also completely surprised when two local TV Stations showed up at our door unannounced - interviewing participants about our community outreach on that day. Hopefully more in the

community will learn of our offering to them this year so that we can bless even more people! A sign-up sheet to be a helper and/or to list what foods you would like to make and bring to the dinner is on the podium in the Fellowship Hall. So, be thinking ahead of time if and how you would like to participate this year. Also, help to get the word out around your neighborhood and the places you frequent to let people know!

USING SCRIP CARDS THROUGH THE WELL - Since (2) years of using SCRIP CARDS, The Well has benefited by \$3,284.86. PRAISE GOD!

Many people love using GIFT CARDS today for various retailers, restaurants and gas stations - replacing actual presents for all kinds of special occasions for family, friends and those in need. One of the main reasons to give gift cards today is that recipients can enjoy going out and purchasing whatever *they* would love to have or whatever they actually need instead of us just guessing. That's a good thing! Let's admit it. We often just don't know what to buy for someone, which can actually

add a stress to life. Will they really like it - might they not? CHRISTMAS is only (9) weeks away! Believe that? SCRIP CARDS can be obtained for hundreds of stores and restaurants. Take time to plan ahead now for Christmas. Order on a Sunday, order placed on Monday and cards usually available by midweek. Arrangements can be made to pick them up during the week if you need them right away or you can pick them up on a Sunday. Some SCRIPS are on hand, others can be quickly ordered. CONTACT RAY DASILVA to place your orders. SCRIPS ON HAND:
